Safe Handling Information

OSHA Hazard Communication Standard, 29 CFR 1910.1200):

Physical Hazards: None
 Health Hazards: None

The information and recommendations in this publication are, to the best of our knowledge, reliable. Suggestions made concerning uses or applications are only the opinion of SPI Pharma, Inc. and users should make their own tests to determine the suitability of these products for their own particular purposes. However, because of numerous factors affecting results, SPI Pharma, Inc. makes no warranty of any kind, express or implied, including those of merchantability and fitness for particular purpose, other than that the material conforms to its applicable current standard specifications. Statements herein, therefore, should not be construed as representations or warranties. The responsibility of SPI Pharma, Inc. for claims arising out of breach of warranty, negligence, strict liability or otherwise is limited to the purchase price of the material. SPI Pharma, Inc. shall, in no event, be liable for special, incidental or consequential damages, including loss of profits.

Statements concerning the use of the products or formulations described herein are not to be construed as recommending the infringement of any patent and seller assumes no liability for infringement arising out of such use.

Standard Specifications, although current at the time of publication, are subject to change without notice. For latest Standard Specifications contact SPI Pharma™.
